BIO:

I'm a friendly and driven individual, always maintaining a positive and growth-focused attitude. I have a lively sense of humor and am looking for someone who can appreciate my wit. Leading an active lifestyle is important to me, and I make it a point to spend time outdoors daily. I daven with minyan three times a day and am Kovea Itim every day. My goal is to create a family environment that's a balance between fun, loving, and close-knit while maintaining a high level of frumkeit. I am looking for someone who is authentic, grounded, and growth-oriented. Someone who possesses a warm and giving personality. Professionally whether she has a degree is not a deal breaker, but she should be passionate about what she does.
